International Journal of Law, Language & Discourse is an interdisciplinary and cross-cultural peer-reviewed scholarly journal.

The International Journal of Law, Language & Discourse is published quarterly and presents articles related to legal issues, review of cases, comments and opinions on legal cases. The Journal integrates academic areas of law, discourse analysis, linguistic analysis, combined with psycho-legal-linguistics.

The Journal serves as a practical resource for lawyers, judges, and legislators and those academics who teach the future legal generations.
